

Dear Mr. Conley

1918-19
Tell Jack I got his letter, I also
got one from Mary. Tell Jack I wrote
Mary asking him to come down but
we not sure he got it since I
couldn't hardly tell what Ed's address
was he had a letter, tell him
Ed feels his OK. on business.
I want to tell to him about Stones
also I think I got some reason of interest
for him & Jack both, not that Haver
will probably want to see them so
bring them to stay a couple days
in Birmingham, I can explain anything
also I see them. Try to come one
day except wed. & Thurs
Take it Best Mary
